Quote of the Day

"Our thoughts and prayers are with the British people and the grieving families. America stands with you in this time of crisis to assist and support you in every way possible. Terrorists may bomb and attack and attempt to use weapons of fear to shake the confidence and will of free nations and free people, but they will not succeed. We have a more powerful arsenal. It includes our resolution and our resiliency, an unyielding determination to do what we can and must to keep our citizens and our allies safe, and to track down those who perpetrate incidents like this and to bring them to justice."

-- Homeland Security Secretary Michael Chertoff (7/7/05)
